

The background of the image is a reproduction of the painting 'The Artist's Studio' by the English Romantic painter J.M.W. Turner. The painting depicts a woman in a vibrant red dress seated in a studio. To her left, a white marble statue of a nude female figure stands on a table. The scene is characterized by soft, visible brushstrokes and a rich, textured color palette of greens, blues, and earthy tones. The woman in the foreground is looking slightly to the left with a contemplative expression.
